

Hello Lukas,

Congratulations on passing the PSPO I Assessment. You have demonstrated a fundamental knowledge of the Professional Product Owner role using Scrum and the rules and principles of the Scrum framework as described in the Scrum Guide. This qualifies you for certification as a Professional Scrum Product Owner I.

A downloadable PSPO I badge, certificate, and link to manage your badge at Credly will be added to your Scrum.org [user profile](#) within the next hour. You will also receive an invitation to highlight and share your achievement at Credly.

Within the next 24 hours we will add your name to our list of PSPO I [certificate holders](#)

Next steps to consider

- Take a look below for your score breakdown by subject area to see where to focus any improvement efforts.
- View additional learning resources: [Product Owner Learning Path](#) and [Scrum Master Learning Path](#).
- Introduce your team to the [Scrum Guide](#), and build a common language with your team.
- Read [The Professional Product Owner](#).
- Join the discussion on the [Scrum.org Forum](#).

Please continue to check [Scrum.org](#) for additional information and programs that can help further develop your knowledge and skills.

The Scrum.org Team
